

# GLOBAL ENTREPRENEURSHIP EXPERIENCE MINOR

*"Everything beneficial that has happened in my life, is because of the Global Entrepreneurship Experience program"*

*- Gregory Wingert, Cohort 4*

A minor that attracts creative, high achieving students to study entrepreneurship on a global scale. Through an engaging curriculum that combines immersive learning and leadership development, students gain experience crafting unique business models to bring new products and services to world markets.

This cohort- based experience, which **admits only 20 high school seniors** every year, starts your freshmen year & ends four years later, features multidisciplinary perspectives and interactive learning through a sequenced curriculum which will:

- \* Stimulate creativity and innovation
- \* Foster active and collaborative learning
- \* Promote leadership and team building
- \* Provide mentoring and support
- \* Help students turn great ideas into viable businesses
