

ADVISOR CONFERENCE BRIEFING

WELCOME

Welcome to the 100X Advisor Virtual Leadership Experience for Nevada DECA! The programming we've developed for your virtual conference experience will equip you to take on the world of opportunities before you as an advisor this year.

How do you become a 100X Advisor? You're on the right track by joining us for this event! Whether in classrooms, working in teams, or managing day-to-day life, DECA success is achieved through 100% leadership health—but it doesn't stop there, because as a 100X advisor you also multiply (X) leadership through the special work you do to grow the leaders of the future. We are excited to welcome you as you join your DECA advisor colleagues to learn together how to grow 100% healthy as an educator and leader and how to multiply that health to help your students get to the top of their goals and potential.
